AWARD

In exercise of the powers conferred by clause (d) of sub-section (1) of section 10 of the Industrial Disputes Act, 1947, the Governor of Haryana referred the following dispute between Shri Vijay Partap, workman and the management of M/s Gallent Engineering Enterprises Pvt. Ltd., Plot No. 42, Sector 6, Faridabad, to this Tribunal for adjudication :—

Whether the termination of service of Shri Vijay Partap was justified and in order ? If not, to what relief is he entitled ?

2. Notices were issued to both the parties. It may be mentioned that none appeared on behalf of the management on 21st January, 1985, even though they were represented previously and as such *ex parte* proceedings were ordered against them. Shri Vijay Partap, workman, appeared as WW-1 and stated that he was employed in the respondent factory on 4th July, 1979, at Rs 401 per month. He further stated that his services were terminated on 15th December, 1982, by the respondent in a revengeful spirit because the wages were not being paid to him in time and moved an application to the Authority under Payment of Wages Act in that respect and had also formed a union. He further stated that no notice pay or compensation was given to him when his services were terminated and that complaint was made to the police, where the management had agreed to pay the amount in three instalments, but they did not pay the said amount. He also stated that no amount was offered to him in cash or by bank draft or money order and that his services were terminated in an illegal manner.

3. The above testimony of the workman shows that he was in service for the last more than one year and that no notice pay or compensation was given to him at the time of termination of his service. Consequently, the provisions of section 25-F of the Industrial Disputes Act, 1947, have not been complied with and as such the claimant is entitled to reinstatement with full back wages. The award is passed accordingly.
